### Philosophy

We have set ourselves the goal of making wines as an expression of our ideas; we exchange opinions on a wine before we press the grapes. First a vision, then pure artisanal handiwork: together this makes the Black Edition our prestige line. It allows us the necessary freedom for experimentation, and challenges us every day to take our favourite varieties to the limits.

### Vinification/Élevage

After destemming and crushing, the juice and the berries (with about 5% stems remaining) are left together for a minimum of thirty days and punched down by hand. Malolactic fermentation and the subsequent maturing take place in 70% new and 30% used French oak.

### Wine

A marvellously enchanting wine that is already exhibiting untold finesse in its youth. A delicate Burgundian style, silky and rich in finesse; seductive power paired with masive spice and a great deal of charm. Dazzling fruit and a charismatic finish that just never seems to end.

### Food Pairing
